Bio Body Program Outline:

Days 1-13 Weight Alignment Bio Body **SLIM & BOOST**

Two days of eating high quality fats and nutrition rich foods, followed by 11 days of specific low calorie eating to *Fast Track* your weight loss. Pioneering an energetic homeopathic glyco-protein HCG, plus other supporting homeopathics, Bio Body **SLIM** enables you to access your stored fat to make up for the calorie shortfall during the weight loss phase. Enabling you to release "pounds and inches".

To ensure adequate hydration and to support you with additional minerals and homeopathics during the detox, Bio Body **BOOST** is added to your water and sipped during the day. **BOOST** contains concentrated minerals that enhance the effectiveness of the detox and weight loss process, and anchor the weight loss message.

Days 14-23 Consolidation Bio Body **REINFORCE**

Normal eating resumes during this phase, but for these next 10 days you take Bio Body **REINFORCE**. It contains digestive enzymes, homeopathic remedies to buffer emotional changes, and Leptin receptor herbs to assist with rebalancing your body's fat storage mechanisms to normal levels.

From Day 24 Maintenance Bio Body **CARB CRAVER**

Homeopathically formulated to naturally increase weight loss and boost metabolism, Bio Body Carb Craver **TRIPLE SLIM COMPLEX** is a combination of three biochemic cellular-supporting homeopathic tissue salts, plus additional herbs, minerals and homeopathics to prevent inflammation and support normalisation of fat storage, as well as prevent the hunger spikes that cause overeating. Taken for two weeks, Carb Craver **TRIPLE SLIM COMPLEX** helps you stop yo-yo dieting through improving your digestion and metabolism, ensuring weight released is not regained.
